1. New name, new start, new audience...

- **Why upgrade ?**

- ✓ Because in France, CCTV has become **VideoProtection** !
- ✓ Because the raison d'être of the association **is to bring together** all persons, companies or institutions interested in CCTV at all levels ... not only municipal governments and their representatives.
- ✓ Because AN2V, **a neutral and open meeting place**, must adapt to reach all stakeholders and address all aspects of CCTV!

2011

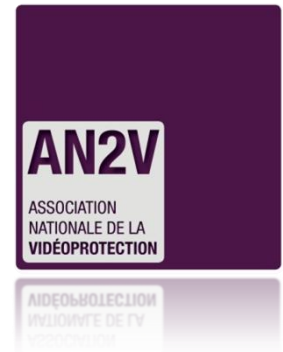

2. The structure of AN2V...

- **A better representation of members**
 - ✓ **Creation of three sector committees**, each electing its own representatives to the Steering Committee, an active participant in the life of the association. The three sectors are :
